Film exposing 'Moonies' slated for New Hope

"Heavenly Deception," a 70-minute feature-length color film of the true-life story of Chris Elkins, a former "Moonie," will be shown at New Hope Baptist Church Sunday, May 25, at 7:30 p.m. Evangelical Films worked for over a year in producing "Heavenly Deception" which follows the life of Chris Elkins, a dean's list student, president of his college fraternity, and a Christian who becomes a "Moonie" in his senior year in college.

Rev. Sun Myung Moon heads the worldwide Unification Church now based in New York. Rev. Moon has millions of followers called "Moonies" who have been deceived by him into thinking that he is the Christ now in 1980.

Matthew wrote in his gospel in the Bible these words: "And as He sat upon the Mount of Olives, the disciples came unto Him privately, saying, 'Tell us, when shall these things be and what shall be the sign of thy coming, and of the end of the world?' Jesus answered and said unto them, 'Take heed that no man deceive you. For many shall come in my name, saying, I am Christ,' and shall deceive many." (Matthew 24:3-5)

All youth and adults ought to see "Heavenly Deception" to be prepared in these "latter" times to combat the cults now numbering over 100 in the United States alone. The premier showing will be at New Hope Baptist Church this coming Sunday, May 25, at 7:30 p.m. New Hope is located 6 miles east of Appomattox, on Highway 24, in Vera. The public is cordially invited to attend. There will be no admission charge.

BUDGET HEADING ON GENERAL REVENUE SHARING

The County of Appomattox will hold a public hearing at 7:00 p.m. on June 2, 1980 at the Office of the Clerk of the Circuit Court for the purpose of hearing written and oral comment from the public concerning the proposed annual budget for fiscal year 1980-81 and the use of revenue sharing funds as contained in that proposed budget, summarized below.

General revenue sharing (GRS) is a program of general fiscal support from the federal government to state and local governments with only limited federal requirements about how the money should be spent. The revenue sharing regulations require a hearing on the proposed use of these funds in relation to the overall budget before the budget is adopted each year.

All interested citizens, groups, senior citizens and organizations representing the interests of senior citizens are encouraged to attend and to submit comments.
